

I believe I can Fly

(R. Kelly)

G **Cm**
I used to think that I could not go on
And life was nothing but an awful song
But now I know the meaning of true love
I'm leaning on the everlasting arms
Em Cm Em D

If I can see it, then I can do it If I just believe it, there's nothing to it

G Em7
I believe I can fly I believe I can touch the sky
Am D
I think about it every night and day Spread my wings and fly away

Em Cm (Cm6)
I believe I can soar I see me running through that open door
G Cm Em (Em6) Cm

I believe I can fly I believe I can fly I believe I can fly
G Cm (Cm6)

See I was on the verge of breaking down

Sometimes silence can seem so loud

There are miracles in life I must achieve

But first I know it starts inside of me,

Em Cm (Cm6) Em D

If I can see it, then I can do it If I just believe it, there's nothing to it
