

A little story about a little wave...

There is a little wave.

And he's bobbing up and down and having a grand old time, just enjoying the sunshine and the winds....

He sees the other waves crashing into the shore, so he gets scared.

Another wave says to him "why do you look so sad?"

And the little wave says, "Because we're gonna crash.

All of us waves are gonna be nothin: don't you understand?"

And the other wave says, "You don't understand.

You're not a wave.

You're part of the ocean.

Part ... of the ocean."

This story is part of the movie "Tuesdays with Morrie" where this story is told by Morrie. It inspire me to write the song "Ripple and the surge"
