

# ***Wild World***

*(Text and music: Cat Stevens)*

*Now that I've lost everything to you  
You say you want to start something new  
And it's breaking my heart you're leaving,  
baby I'm grieving  
But if you want to leave take good care  
Hope you have a lot of nice things to wear  
But then a lot of nice things turn bad out there*

*Ref.: Oh, baby, baby it's a wild world  
It's hard to get by just upon a smile  
Oh, baby, baby it's a wild world  
I'll always remember you like a child, girl*

*2. You know I've seen a lot of what the world can do  
And it's breaking my heart in two  
'Cos I never want to see you sad girl. don't be a bad girl  
But if you want to leave take good care  
Hope you make a lot of nice friends out there  
But just remember there's a lot of bad and beware*

*Ref.: Oh, baby, baby ...*

# *Everybody needs to have a friend*

*(Text and music: Wishbone Ash)*

*Trust in me, I'll try to do  
Everything to help you that I can  
Broken wings can heal and mend again  
Don't be afraid to cry your tears out loud  
Everybody needs to have a friend*

*It's only love that I can give  
And I give to you the only love I have  
When I see you're in misery  
It makes me want to try and understand  
Everybody needs a helping hand.*

*It's only love that I can give  
And I give to you the only love I have  
When I see you're so unhappy  
It makes me want to try and understand  
Everybody needs a helping hand*

*If everything should turn around  
And it's me who feels so down and out  
You could be the kind of company  
To share a load and know how bad it feels  
Everybody needs to have a friend*

# ***Lemon Tree***

*(Fool's Garden)*

*I'm sitting here in the boring room  
It's just another rainy Sunday afternoon  
I'm wasting my time  
I got nothing to do  
I'm hanging around  
I'm waiting for you  
But nothing ever happens and I wonder*

*I'm driving around in my car  
I'm driving too fast  
I'm driving too far  
I'd like to change my point of view  
I feel so lonely  
I'm waiting for you  
But nothing ever happens and I wonder*

*I wonder how  
I wonder why  
Yesterday you told me 'bout the blue blue sky  
And all that I can see is just a yellow lemon-tree  
I'm turning my head up and down  
I'm turning turning turning turning turning around  
And all that I can see is just another lemon-tree*

*Isolation is not good for me  
Isolation I don't want to sit on the lemon-tree  
I'm steppin' around in the desert of joy  
Baby anyhow I'll get another toy  
And everything will happen and you wonder*

*I wonder how  
I wonder why .....*

## ***Rock'n Roll Kids***

*(Paul Harrington Charlie Mcgettigan) Grand Prix Eurovision winner 1994*

*I remember '62  
I was sixteen and so were you  
And we lived next door,  
On the avenue.  
Jerry Lee was big and Elvis too;  
Blue jeans and blue suede shoes,  
And we never knew  
What life held in store.  
We just wanted to rock 'n' roll forever more.*

*We were the Rock'n Roll Kids  
And Rock 'n' Roll was all we did  
And listening to those songs on the radio;  
I was yours and you were mine  
But that was once upon a time,  
Now we never seem to Rock 'n' Roll anymore.*

*Now Johnny's in love with the girl next door,  
And Mary's down at the record store,  
They don't want to be...around us no more.  
"Golden Oldies" but we hardly speak  
Too busy running to a different beat  
Hard to understand, we were once like them.  
How I wish we could find those Rock 'n' Roll days  
again.*

# *Sweet Home Alabama*

*Lynyrd Skynyrd*

*Big wheels keep on turning,  
carry me home to see my kin  
singing songs about the southland.  
I miss ole bamy once again and I think it's a sin.*

*Well, I heard Mister Young sing about her.  
Well, I heard ole Neil put her down.  
Well, I hope Neil Young will remember  
a southern man don't need him around anyhow.*

*Sweet home Alabama where the skies are so blue.  
Sweet home Alabama, Lord, I'm coming home to you.*

*In Birmingham they love the Gov'nor.  
Now we all did what we could do.  
Now Watergate does not bother me.  
Does your conscience bother you, tell the truth.*

*Now Muscle Shoals has got the Swampers  
and they' ve been known to pick a song or two.  
Lord, they get me off so much,  
they pick me up when I'm feeling blue, now how about you.*

*Sweet home Alabama.....*
